DM-held inspection slips

Cut apart before play. Give only the slip earned by inspecting that statue; keep all others hidden.

1 — Victoria

Black ink is ground into her fingertips and thumbs.

2 — Alexi

Dried, flaking mud is caked on his boots and coat hem.

3 — Teresa

Dark crimson stains her palms and the skin under her fingernails.

4 — Valerius

He smells of salt and brine. Tiny barnacles cling to his shoulder plates.

5 — Borislav

Black soot smears his jaw, knuckles and forearms.

6 — Barov

Nothing. No stain, no grime, not even dust. He gleams as if polished this morning.

DM-held progressive clues

Reading table: reveal at minute 2–3 if needed, or when the runner is lifted. Cut the art apart from these instructions.

Plinth plate: reveal at minute 8–9, automatically by 9:00.

DM-held reward and encounter

Archive Crest #1

Spectre

Give the crest only when all six relics are matched. Reveal the Spectre only after the crown/dagger taboo swap. Cut its silhouette and mount in a clip or on a folded base.

Full-title labels — reveal after success

Arch-Librarian Victoria	Lord Alexi the Harvester
Lady Teresa the Traitor	Admiral Valerius
Forge-Master Borislav	King Barov the Spotless

Keep these separate until solved. Do not print titles on the backs of player cards where they might be seen early.
